

Lancaster DHIA

ANNUAL BANQUET

DECEMBER 13, 2016

11:30 AM - 2:00 PM

GOOD N PLENTY RESTAURANT
SMOKETOWN, PA

FEATURE SPEAKER: DR. JOSEPH BENDER

“Critical Control Points to Maximize Reproductive Efficiency & Profitability”

Dr. Joseph Bender is a veterinarian in Field Investigation for the Center for Animal Health and Productivity at the University of Pennsylvania School of Veterinary Medicine. He received his BS in Biology from The University of Findlay (2003), MS in Veterinary Preventive Medicine and Doctor of Veterinary Medicine from Iowa State University (2010). His main area of work involves providing on farm consultation to dairy farmers throughout Pennsylvania to increase production and profitability. Primary interests and teaching include dairy farm management, nutrition, reproduction, and on-farm interactions to help the sustainability of the Pennsylvania dairy industry.
